FOR AUSTRALIA

This is a broad land, horizons far away, roads that get lost in the distance and blue distant hills.

May breadth of mind and heart be ours.

This is a hard land, the soils thin and weathered, dusty and cracked with drought or deluged with sudden flood.

May we learn to live with stress.

The land is washed by oceans, with mighty waves on rocky coasts, and lazy tropical tides and storms from the frozen south.

Wash our lives with your living water.

And in this land people have been at home for many millennia, with few possessions but much courage, with life-sustaining skills in harmony with all creation.

May their quiet persistence infect our lives, so that land and people may together praise you, God of creation.

(Bernard Thorogood)

Palms Australia

Palms Encounters are ethically run group tours that provide participants with authentic, hard to come by experiences. The tours have been carefully designed to give you an insight into the daily life of people of another culture, an understanding of sustainable approaches to reducing poverty, and an insight into the life and work of Palms development volunteers.

We still have limited places available for our next trip to Timor-Leste **11-23 March** if you book by 5pm Thursday 25 January. Please contact Palms on **02 9560 5333** or see www.palms.org.au/encounters

We farewell Fr. Daryl. We wish him well at St. Monica's, Moonee Ponds.

Thank you for your generosity with the Christmas offerings.
Fr. John
